Back-to-School

Starting the new school year can be a time of great excitement .. and anxiety.

Here are the ABC's for Back to School

A. Arrange a tour for your child. Visit the classroom, meet his/her teacher, and find the bathrooms, cafeteria, bike racks and library. **B. Buy** supplies in bulk to save money over the year. **C. Cancel** "sleeping in" a week or two prior to classes to reset your child's internal clock!

Happening in August...

National Chocolate Cookie Day, Aug. 4

Stop by the Leasing Office grab some sweets and pay rent!

Back-to-School Grab-n-go, Aug. 11.

Stop by to pick up your schools supplies and enter for a chance to win a back pack!

Supplies included: back pack, notebooks, folders, pencils, scissors, eraser, sanitizer, masks, tissues, water bottle, headphones, etc.

World Photo Day, Aug. 19.

Go exploring with your camera ready to capture the action unfolding around you today! Post your photo on our Facebook page for a chance to win!

August is National Win with Civility Month.

Take the high road this month in your dispute resolutions, mediations, and negotiations anytime you are faced with conflict.

Read a Romance Month.

Love makes the world go around, right? In August people are ready for a romantic beach read. With no national holidays to distract you, you can make August an uninterrupted flow of all kinds of romantic reads.

Maintenance Corner

School's Out and Kids Are All About!

Please use caution and remember your "little neighbors" when driving through the community. In the midst of play, children may forget to watch for you in driveways and parking areas. Kids are very quick, so it is important to look for children running between cars, chasing balls into the street, etc. Your consideration for one another, will ensure that everyone enjoys both a fun and safe summer together.

Thank you for keeping our community beautiful!

Take a Closer Look at Your Sunscreen

Keeping your family protected from harmful UV rays can be a full-time job during the summer months. But don't forget to take a look at which cans and bottles are recyclable before throwing them out. Most metal sunscreen bottles are made from aluminum, which is highly recyclable material. Even with their plastic tops, used sunscreen can be tossed in with your other recyclables.
